

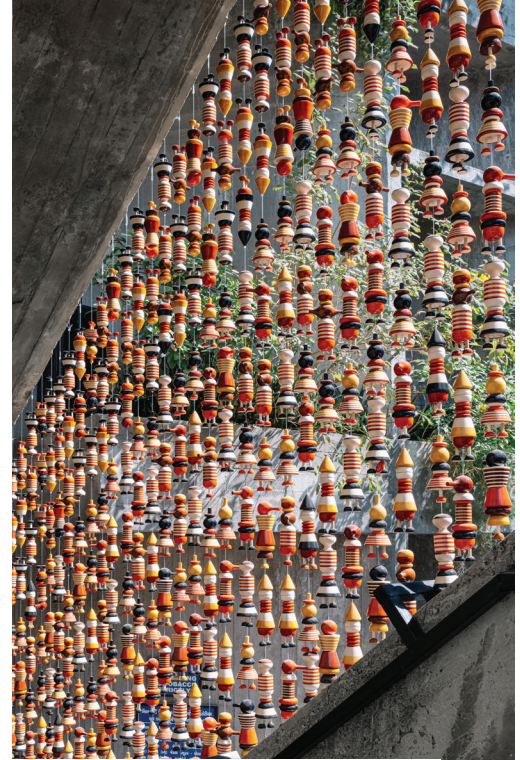

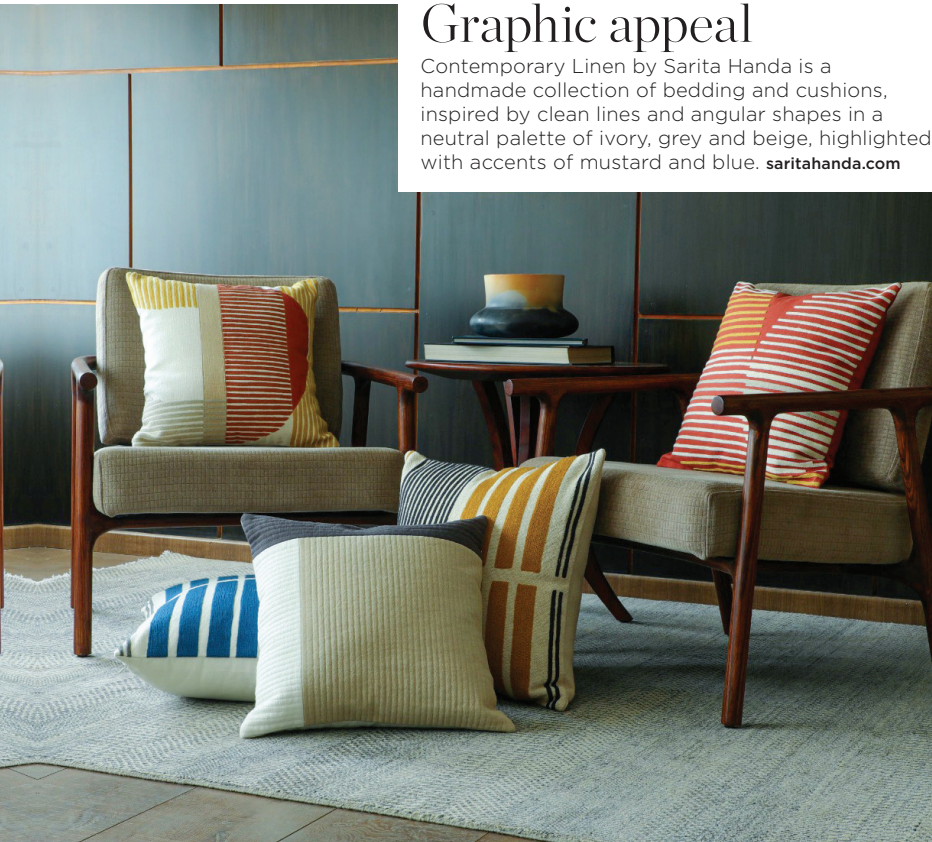

Graphic appeal

Contemporary Linen by Sarita Handa is a handmade collection of bedding and cushions, inspired by clean lines and angular shapes in a neutral palette of ivory, grey and beige, highlighted with accents of mustard and blue. saritahanda.com

Toy with it

Channapatna gets another lease of life as Huzefa Rangwala and Jasem Pirani of MuseLAB “play” around with toys to raise funds for Teach for India with #MuseTribe. Seen here is an installation planned at Raw Collaborative that provided visual and tactile stimulation. muselab.in

Rug addict

The patina of monsoon on a wall, spilt tea or even a mirage on a hot day have inspired the making of Art from the Distorted series by Insigne Carpets. insignecarpets.com

Pigment of imagination

Go wild with Artychoke's nesting tables from The Untamed collection. Its resin top features a zoological depiction by artist and cofounder Pragya Jain and adds a pop of colour to spaces. artychoke.co
